Supporting Evidence: Mr. Norman completed a substance abuse assessment on November 10, 2015. He started the intensive outpatient treatment program on January 5, 2016. The defendant failed to attend his treatment sessions on the following dates: January 6, 19, and 21, 2016; and February 16, 2016. The offender signed a behavior contract with his counselor on February 11, 2016, and agreed to not miss any more treatment sessions. However, he missed his group session on February 16, 2016, leading to his termination from substance abuse treatment services.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the offender to answer to the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
